Message
We were in St. Louis at the Cardinals game and came across your transportation vehicle. Big Mike was amazing and super helpful. I hope you all realize what an asset he is and what a great face he is for your company. He is genuinely a great guy and hopefully is recognized by LSM as such.

Sharron Beyer "This was one of the best parts of their trip to St. Louis the ambassador let us know about everything going on .We will be back to visit"

Social Media responses to the CWE “Euclid Shuffle”

• Whoever came up with this service and the free parking, ty from a CWE Resident who
•loves living here and wants others to know why living in the CWE is the best place ever!!!
• Just saw it out my dining room window. 🥕 The coolest!!
• At a fraction of the cost of the loop trolley, I’m guessing.
• This is amazing

• Stayed in CWE from out of town. Saved us Ubering a bunch and it was too cold to walk!
• Ease of getting a ride home after shopping
• Very convenient. I like that i can park farther away.
• That it's free what a great idea! I hate parking in cwe for real and this helps a lot

•The driver was funny, nice and quick. It was a cold night and my brother had a foot injury, it made it so much easier to get back to our parking spot. We had to park a few block from the restaurant and not walking was a godsend. Parking was the only reason we almost didn’t go to cwe to eat. Loved, loved, loved it!!
•Quick response from the drivers, took me to the other end of Euclid when it was cold and I may not have gone if walking. Also liked how safe I felt riding.
•More $ I can spend at stores and restaurants in CWE without worrying about parking
•made it convenient to spend money in the neighborhood
•We called the cab and he came to get us immediately and saved us from walking from vino gallery to kampai in the cold!
